Another Round Monday

'CM' Question Could Go to Vote of People

That Campbell voters may get a chance to vote on the controversial "Controlled Manufacturing" zoning question loomed as a remote possibility this week. Battle-weary and scarred from previous encounters, "CM" again goes into the ring at the City Council meeting Monday night to face one of its most crucial tests.

Monday's tussle will be a continuation of the public hearing of December 2 when because of the absence of two councilmen, it was decided that it would be better for a full council to have a report on the pros and cons before closing the hearing.

The suggestion that the people in Campbell, who sofar, for the most part have remained aloof and disinterested in the "CM" fray, be allowed to vote on the question in the city election next April was made unofficially this week.

Whether the possibility of a vote by the people on "CM" will gain the official blessing of the Council at Monday's meeting was still an undetermined question as both sides prepared to square off for what could be the decisive round in the bitter battle.

Oppose Intention

Although it has been stressed repeatedly that the proposed "CM" ordinance now under discussion does not apply the restrictions to any particular area landowners in the new industrial area at the south city limits claim it is the intention of the City to apply it to their particular area. Thus they oppose it.

They also claim that when their areas were annexed to the City, city officials informed them that the territory would be zoned light industrial and that "CM" was something that has been dreamed up since then. Thus they assert, the City is "breaking faith" with the property owners.

They also claim that the restriction of "CM", plus the improvements necessary to develop the property, will make their land so expensive that it will be impossible to either sell or develop the property.

At the various compromise meetings held between the City Planners, who originated the ordinance, and the landowners three major points appeared to be keeping both sides apart: (1) outdoor storage. "CM" prohibits it; (2) the name "CM", landowners don't like the implications of "controlled"; and (3) masonry construction, landowners want other types.

Burnett Appears

John M. Burnett, San Jose attorney, representing the embittered landowners, making his third appearance before a city body at last week's hearing; lambasted both the ordinance and the intent of the City. He is expected to be on hand again Monday.

The hearing last week was highlighted by the statement of Councilman Myron Fairchild that he would oppose the adoption of the "CM" ordinance because it was so closely identified with the industrial park.

The application of the ordinance, however, to a specific area, which must be done through public hearings (originating again with the Planning Commission), appears to be another story. Unless a compromise can be worked out, another knock-down, drag-out fight is expected on that phase of the perplexing "CM" question.

Zone Change Hearings

Two public hearings both on zone changes are scheduled for Monday's City Council meeting.

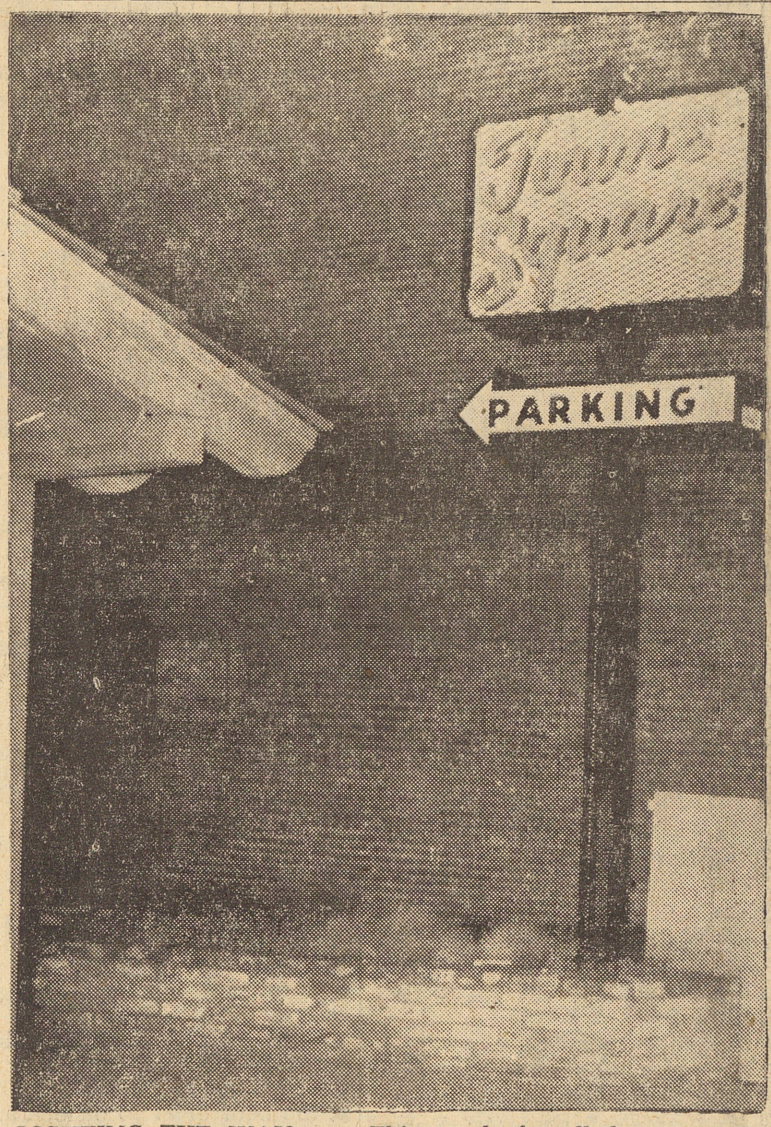
One hearing is on the proposed change from industrial to commercial for an area on the west side of San Jose-Los Gatos Road north from Campbell Ave., including the Brynteson Ranch property. The other is for a change in zone from single-family to multi-dwelling for property at 41 N. Second St.

Campbell High Offers Musical Gift to Public

An annual gift to the public, Campbell High will present its Christmas program Wednesday, December 18, at 8 p.m. in the school auditorium.

Tableaus, depicting six events at the birth of Christ, will be staged by the drama group and narrated by the a cappella choir.

The 70-piece orchestra will play several numbers and the choir will sing three selections. Numbers by the combined glee clubs and brass choir will round out the program.



LIGHTING THE WAY . . . This newly installed attractive neon lighted sign on Campbell Ave. directs customers to the large parking area at the rear of the stores and tells the world the name given to that particular shopping section of Campbell. This week the merchants of "Towne Square" in a letter to the City Council offered their assistance in a suggested improvement program for their section. Campbell Press photo.

To City Council

'Towne Square' Group Offers Joint Aid Plan

Nine local merchants, banded together under the title of "Towne Square" to typify their location in the business district of town, this week offered five suggestions to the City Council as to how conditions could be bettered in their particular business block.

They also offered to assist the Council in any overall improvement program for the shopping area, pointing out that a more attractive business secion would mean more business to the merchants and would also directly benefit the City through increased sales tax income.

In a letter to the City Council, the nine merchants, Rachel's, Golden Rule, Friendly Food Market, Taste Good Bakery, LeMar's, Clark's Drugs, Verle Grizzle Jeweler, Schoenberger Shell Station, Towne Square Shoe Repair, Virginia's Studio of Paint and Color and Towne Pride Food Mart, explained that the City and the merchants have a common goal, that of attracting more business to town.

" 'Towne Square' merchants are convinced of the value of this 'block-by-block' improvement program," the letter states, "and respectfully urge the City Council to evaluate the suggested improvements."

The suggestions offered by "Town Square" include:

1. Possible development of the parking lot now used by the American Trust Company into an off-street lot for use of the merchants of the town.

2. A joint letter from the merchants and City Council to the owners as to the possible future status of the theater building.

3. Procedure necessary to place telephone and power lines underground in the business section.

4. What joint action can be taken to improve the appearance of the Hunt's building and the old Campbell Lumber Co. property.

5. Whether street sweeping for the business section could be maintained more frequently.

The letter is expected to be read at the City Council's meeting Monday.

SANTA ON HAND

Santa Claus will be guest of the "Towne Square" merchants this Friday and Saturday, December 13-14. The old gentleman will make the rounds of the stores in the business block between 5 and 8 p.m. on Friday and from 1 to 5 p.m. on Saturday.

Varied Exhibit Marks Art Gallery Opening Here

A new addition to Campbell is the Towne Square Art Gallery which opens Saturday at 397 E. Campbell Ave. with a pre-Christmas exhibit of oil and watercolor paintings, sculpture, and crafts by the art section of the Santa Clara County branch of the National League of American Penwomen.

The gallery will be open to the public free of charge Saturdays from 2 to 5 p.m. and Sunday afternoons from 2 to 5 p.m.

The exhibit will feature ceramic tile, handpainted textiles, jewelry and other art items, all moderately priced.

Also on display will be paintings of Frank Cutting, Campbell artist of national reputation, who will exhibit some of the oils he made while on a recent trip to the Hawaiian Islands.

Another Campbell artist whose work will be on display is Mrs. Edna Vincent, known especially for her paintings of redwoods at Felton.

Others exhibiting are Mildred Kaucher, known for her paintings of cats and underwater scenes: Dorothy Kaucher, who specializes in flower paintings; Mesdames Willa Blair and Ivy Richards, sculptors; Marion Smith, crafts and oils, Ann Nash, watercolor and oils; Golda Coillot, landscape, portrait and still-life; Geneva Stark, resident manager of Montalvo; Fred Hamilton, Marie G. HuHan and A. W. Penniman.

These same artists will also exhibit their work at Ribble's Stationery store in February.

On The Line in Campbell

Members of the Campbell DeMolay chapter will stage a car wash project this Saturday from 10 a.m. to 4 p.m. at the Congregational Church on W. Campbell Ave. to raise money for the organization. John Curtis is chairman of the car-wash committee which will charge $1.00 and $1.25 per job.

Hamilton Avenue Zone Change Goes Before Planners

Campbell City Planners next Tuesday will be asked to approve a zone change for property on the extension of Hamilton Ave. west of Winchester Road as the first step in the possible future development of that area into a part commercial and part multiple dwelling area.

The request for zone change has been submitted by Settimo Prestigiacomo, 425 Winchester Road, present owner, although it is reported that negotiations are under way for the development of the approximate 10 acres by a San Mateo County development concern.

The request asks that the area now zoned one-family residential (R-1) to be zoned light commercial (C-1-S) on both sides of the extension of Hamilton Ave. for approximately 480 feet with the balance of the property extending almost to Eden Ave. be zoned multiple residential (R-3-S).

An application has also been filed with the Commission by R. L. Ferguson, local draftsman, for a zone change for part of the old Methodist Church property that faces First St. from residential to commercial. Jointly filing are Henry Jewell and Oliver Jensen, owners of the entire church property, who last week announced that they had withdrawn their property from any further consideration as a possible new post office site.

Ferguson is reported to have purchased a parcel from Jensen and Jewell and plans to build an office building on it.

Services Take Place Today for Councilman's Wife

Death came on Monday to Mrs. Adele Rose, 48, wife of Councilman Charles Rose of Campbell. She passed away at home after an extended illness.

Funeral services will be conducted this afternoon at 2 at the Campbell Congregational Church with Rev. Corwin Olds officiating. Burial will be in the Los Gatos Cemetery. Friends are asked to contribute to the Stanford Cancer research in lieu of flowers. Mrs. Rose was a member of the Women's Guild of the Congregational Church.

Mrs. Rose was born in San Francisco and grew up in Santa Cruz. She was a member of the Native Daughters of the Golden West of that city. She was married in San Jose on December 12 1936, to Councilman Rose, a native of Campbell who was living in Salinas.

The Roses moved back to Campbell in 1946 and took over the operation of the Orchard City Grocery which had been founded by his father. Rose was elected to the City Council in 1954 and reelected in 1956.

Besides her husband, Mrs. Rose is survived by a daughter, Elayne Rose, a graduate of Campbell High last year who is now studying ballet. She also leaves a brother Ted Wackerman, of Campbell, and a sister Bertha Hoadley of Canada. Another brother was killed in World War II.

RAIN DROPS

Last Thursday's rain brought .58 of an inch to make the total for the season to date 1.80, the Campbell Water Co. reports. Last year at this time, 1.50 inches had fallen, compared to a normal of 3.50 for this time of year. Total rainfall for the season last year was 12.46.

HEARING TESTS

Members of the freshman class at Campbell High have been undergoing hearing tests during their orientation periods this week. The tests are given by the Santa Clara County Health Department.

Santa Arrives In 1913 Style

Santa Claus made his first appearance of the season in Campbell last Saturday afternoon when he arrived in style (1913 variety) at the Campbell Shopping Center, Winchester Road at Latimer).

He was transported through the streets of the town and then to the shopping center in the 1913 Model-T fire engine that was rebuilt by the local fire department for last Old Settlers Day. Santa then spent the rest of the afternoon at the shopping center finding out what the kids of the community wanted for Christmas. Approximately 500 youngsters told the white-whiskered old gentleman what they wanted him to bring them on Christmas.

The top picture shows the fire engine arriving at the shopping center being greeted by the enthusiastic crowd of kids. Fireman Bill Morgan of the Campbell Fire Department is Santa's pilot.

Santa waves to the crowd in the picture on the left while in the lower photo, the red-suited old boy starts interviewing the youngsters.—Campbell Press photos.

Burglars Net $515 In Station Theft

Gaining entrance to the service station and safe either with duplicate keys or by picking the locks, burglars some time after closing time Saturday night entered and made off with $515 in currency from the Associated Service Station operated by Ted Anderson at Winchester Road and Latimer.

Campbell police report that there was no evidence of forced entry for either the door of the service station or the safe.

The burglars took currency and one check but passed up loose change in a money bag in the safe.

Police report also that the Mobilgas Service Station at San Tomas and Campbell Ave., was broken into Tuesday night

Bagby School Ushers in Christmas Season with Colorful Pageant

A colorful and solemn pageant on the nativity ushered in the Christmas season at Bagby School this week.

Dressed in traditional robes of the period, fourth and fifth grade students pantomimed events surrounding the birth of Christ while two choirs told the old familiar story in song.

Written and directed by Mrs. Irene Cook, sixth grade teacher, the pageant was presented at two school assemblies and for Bagby School PTA Wednesday night. Christmas carols by the orchestra, under the direction of Joseph Farruggia, preceded the show.

The pageant opened to the manger scene with the heralding of two angels dressed in long white robes, wearing gold and white wings and halos. The story unfolded slowly and included the adoration of the Christ Child by the shepherds and three kings.

Selections by the main choir, directed by Mrs. Cook, and a second "invisible" choir at the rear of the hall directed by Mrs. Sara Windecker, were:

"Angels We Have Heard on High", "How Art the Child", "What Child is This", "Lullaby Thou Little Tiny Child", "Shepherds Watching on the Hill", "We Three Kings", "O Little Town of Bethlehem," "Away in the Manger," "Wake, Ye Shepherds All," "O Come, O Come, Emannuel," "Silent Night" and "Joy To the World."

Faculty members assisting in the production were Mesdames Rose Vessel and Eleanor Huston, costuming of students; Robert Kemping, principal, Harold Fonda, and Robert Custer, and Joe Claborn, scenery. In charge of props were Garnet Barnes and Albert McKenzie.

Other pictures of this colorful Christmas pageant will compose a panel for the Christmas edition of The Campbell Press.

SANTA
by Donna Hartman
7th grade

Santa has some helpers
Who are little elves.
They dust the shop, make the toys,
And put them on the shelves.

Santa has eight reindeer—
Or, rather, I should say—
He has nine with Rudolph,
The one who guides the sleigh.

Santa has a long, white beard,
And two black boots has he.
He has a great big stomach.
He's always filled with glee.

People love the Christmas month,
And you are sure to see
All sorts of decorations
On every Christmas tree.

There's Christmas cheer all over;
And every where you go
You're sure to find a shining star,
A candle's brilliant glow.

ADVENTURES IN SPACE
Keith Nielsen
7th grade

I was walking in a park just out of Times Square in New York. It was a quiet day except for the noise of the city and the birds. All of a sudden a bright flash hit my eye. I turned to see what seemed to be a silver overturned disk gleaming in the sun. Closer examination revealed an open hatch.

Once inside it appeared a soft blue with numerous buttons, levers, pipes, etc. Once seating myself in one of the oval chairs I experimented with the controls. All out energy was suddenly released. Through the window I saw trees being torn up.

The craft shivered, screamed and shot off the earth like a bullet. The sudden surge caused me to blackout. After regaining consciousness I watched the speedometer 1,000, 2,000 another surge of energy 100,000, 200,000 and then out in space.

I was scared but my worst scare was yet to come for in front of the ship I saw a cloud of gas. It seemed to be drawing to a center point. It began to resemble a snake with two front legs. I was scared. I knew that, if there was sound in space, his roar would deafen me. My examination earlier had revealed four tractor guns and two missile releases. The snake came flinging at me with all the fury and force its enormous body could deliver.

The first three tractor guns found their mark but didn't do much damage. The fourth gun did much the same but the missile disintegrated his leg. It still kept coming. I knew that this last missile counted. I was shaking. Sweat poured down my face. I didn't want to fire for fear I might miss. Greater fear caused me to fire. The second before it hit seemed like an hour but it still hit and disintegrated him. Minutes passed and then shakingly I flew back to earth, abandoned the saucer and never saw it again.

Up North Fighting the Sioux
Mickey Smith
7th grade

It was August of 1895 and Bill Macafee and John Hillery were starting north where they had to fight a tribe of Sioux under the leadership of Winding Stream.

General Fremont, 130 soldiers, and 3 scouts were going.

The soon were approaching Fort Hays lying in ruins from recent attacks. A mile farther Fort Johnson came into view, it was the new fort replacing Hays.

General Mishel, in charge of Fort Johnson, came to greet them. He said that the Sioux should attack the next morning and asked them to stay overnight.

Sure enough at 5 in the morning the guards saw a band of at least 500 Indians approaching. Within 3 minutes everybody was awake and at their posts. For 3 hours they fought in battle after battle. Finally the Indians left, leaving behind 100 dead Indians, 30 dead and wounded soldiers and 4 burning sheds.

The next morning at 6 the cavalry and scouts left the fort with 230 men. Both generals went leaving the fort in charge of Colonel Comy with 20 soldiers.

At 8 o'clock they came upon the Indians. Then a battle of all battles took place. Finally with Winding Stream and 300 Indians dead and 50 soldiers dead and wounded the Indians surrendered. The cavalry had won.

Communication
Anne Ageson
8th grade

When the United States was moving westward, means of communications were developed. The early pioneers didn't want to forget the friends they left behind. They wanted to hear from relatives and friends back home and they wanted to be able to write to them.

Communication secured a bond between the hardy pioneers and the people in the east. They still shared each others sorrows, joys, problems, and interests. It made the pioneers interested in a young nation trying to survive. Communication between east and west was important. It made the pioneers want to join the Union once their territory wes developed.

One might easily say that communication helped unite a nation.

ON THE MAT
Stuart Jay Stern

Why did Campbell Grammar lose? Don't ask me! Mr. Johnson says it was plain experience. At any rate this was our first match of the season with Monroe.

Mr. Johnson is pretty sure of a better score when we tangle with the rough Cupertino wrestlers on Thursday, and on Friday we will take on the aggressive Wilson School of Santa Clara.

The score on Tuesday the 26th was 23-16, Monroe's favor. Winners for Campbell for pins were David Buck and Gilliam. Fishburn and David Parker won on points. Most of these matches were very dramatic.

The boys show fine sportsmanship and best of all show that they are willing to take on "all-comers" in their own weight.

If our money wasn't stable,
I am sure we'd not be able,
To take our little trips to far off places,
It's enough to make you holler,
When you've worked and saved a dollar,
And you find how very little it will buy,
If our money wasn't stable,

Pretty son we won't be able,
To buy the goods to make ourselves a pie,
When a buck's not worth a dime,
Don't you think it's about time,
Something's done to remedy the situation,
Let us work to stabilize,
In the end we'll realize,
Stable cash is what we need for our vacation.

COMPOSITION FOR CIVICS
Bonnie Fine
8th grade

The federal government and the Constitution rule this land. When a man refuses to abide by this rule, no matter how strong he is, he is not going by our Constitution.

Thus was the case of Governor Faubus. When he prohibited integration, he stirred up a trouble spot that has been with us since the start of our country.

Many people say that President Eisenhower was not within his rights when he called out the National Guard, but he was. It states in the Constitution that the President and the federal goverment shall be stronger than the state.

It also states that all men are created equal. This doesn't mean just whites, it also means Negroes, Chinese, Mexicans, and all who come to seek freedom. Before we try to make a better world, we have to make a free America.

PARENTS PARTICIPATION

Thirteen neighborhood parent discussion groups are being set up in the Campbell Union High School District, including Campbell, Hamilton, Cambrian, Leigh, San Tomas, Moreland, Foxworthy and Quito areas. The general subject of the meetings of the groups will be "Teaching Today's Youth".

Traffic Questionnaire

The California Traffic Safety Foundation is eager to have your views on the subject of Traffic Safety. Printed below, through the cooperation of this newspaper, are ten questions pertinent to every Californian. *Your opinion is important!* Please answer these questions carefully. *Mark an "X" under YES or NO in the spaces provided. The completed questionnaire should be mailed to the California Traffic Safety Foundation, Suite 404—660 Market Street, San Francisco 4, California. Do not send returns to this newspaper!*

Your answers will be reviewed and given careful consideration by the Foundation, Governor's Traffic Safety Committee, California Highway Patrol and California Department of Motor Vehicles. *Only YES and NO answers can be considered valid.* One set of answers per questionnaire, please. For any added comment, attach a separate sheet of paper.

	Yes	No
1. Do you favor an absolute maximum speed limit of 65 miles per hour?		
2. Do you favor compulsory intoxication tests for drivers suspected of operating vehicles while under the influence of intoxicating liquor?		
3. Do you support the idea of a traffic school for violators in addition to penalties imposed by the the court for those committing more serious hazardous traffic violations and for "repeat" offenders?		
4. In your opinion should urban and other heavily traveled highway sections be more adequately lighted for night driving?		
5. Should "behind-the-wheel" driver training be compulsory in all high schools?		
6. Are you in favor of the use of radar by traffic law enforcement agencies in the control of excessive speeds?		
7. Do you believe in more strict traffic law enforcement, including stiffer penalties to apply uniformly in all courts for motorists guilty of accident-causing violations?		
8. Do you favor a program to control horsepower and top speed available in motor vehicles?		
9. In your opinion should a compulsory motor vehicle inspection program be adopted by the State of California?		
10. Do you believe seat belts should be required in automobiles? (Studies reveal that the use of safety belts in motor vehicles reduce the opportunity for driver-passenger injury.)		

Please fill in the following. Check age group and "Male" or "Female" designations.

Amends Request

Telephone Company Files New Rate Application with State Commission

Pacific Telephone and Telegraph Company has filed an amendment to its application for a telephone rate increase now pending before the California Public Utilities Commission. Unchanged is the 6.9 per cent rate of return sought by the company in its original application.

The amendment seeks to offset higher wage costs. Most telephone employees have been granted wage increases within the last five weeks.

In its amended application, the company is asking to increase monthly rates for basic telephone service throughout the state. The original rate application, filed August 7, did not ask for any changes in basic rates.

Monthly increases for residence customers would be five cents on four party, suburban, and farmer line services, ten cents on all two party services, and 35 cents on one party lines. The increase on business individual and party line services would be a flat 35 cents per month. Overall effect of the amendment would be to increase company revenues by about $12,000,000 annually.

John F. Imsand, San Jose manager for Pacific Telephone commented on the effect of the amended application in Campbell.

"The majority of our residence customers throughout California would pay ten cents or less additional per month for their service. For example, a Campbell customer with a two-party line would pay $4.00 monthly instead of the present $3.90, not including tax.

Some additional revenue would be obtained from a moderate increase in some person-to-person long distance rates and from charges on certain items of special equipment. The combined effect of the increases proposed on person-to-person calls within California in the initial and amended applications would vary from five to 50 cents on a three minute call, depending upon the distance involved.

No increase in station-to-station calls or in calls to points outside of California is being asked in either the original or the amended applications.

George M. Dean, vice-president and general manager for Pacific Telephone, made this statement:

'This supplementary application is necessary if we are to realize the rate of return asked in our original application. We believe this is the minimum return we can operate on under today's conditions and still carry out the expansion and improvement program that is so important to California's future.

"We have no alternative but to seek to recover these additional costs of doing business. The effect of this increase on the bills of most of our subscribers will be slight. But it will have an important bearing on our ability to meet the needs for an expanding and improving telephone system in California."

Music Students to Appear in Recital

A recital by pupils of members of the Santa Clara County branch of Music Teachers' Association will be presented tomorrow night, December 13, at 8 o'clock in Room 125 of the Music Building at San Jose State College.

A varied musical program will be played by the young musicians who range in age from 9 through 17. The public is invited to attend.

HEADS CONTEST

Dr. Robert R. Jasmine, Campbell optometrist, has been appointed by the Santa Clara County Optometric Society to head the county-wide high school poster and essay contest on "Safer Driving Through Better Vision" conducted annually. He will also be in charge of entries from the Campbell High school. Contest deadline is December 9.

There are 28 national parks in the United States, Hawaii and Alaska.

Hill Heads 1958 March of Dimes

Laurance J. Hill, superintendent of Campbell Union High school, has been appointed to head the 1958 March of Dimes campaign in the Campbell area, it has been announced by Anthony Anastasi, county campaign chairman.

In accepting his appointment, Hill points out that the fight against polio is still an unfinished one.

"We have many victims of paralytic polio who still need our help."

He states that at the present time 10 Campbell patients are receiving help from the county chapter of the National Foundation of Infantile Paralysis, and that $18,202.92 has already been spent this year to help Campbell area polio patients.

"It has not been enough just to save their lives. We have got to make their lives worth living," Hill adds.

He emphasises that these survivors of polio need continued medical and nursing care, physical therapy, assistive equipment (such as iron lungs, wheel chairs, braces) and rehabilitative services. "We must continue to help these persons and give them a chance to make a comeback to useful living."

"Even though Salk vaccine is cutting down the number of new polio victims, we must continue to keep the electricity flowing to the iron lungs and rocking beds of those already stricken. We must not shut off our lifelines to them," Hill affirms.

The March of Dimes kicks-off January 2 with a county-wide wide mailing.

PLANNING ON PLANTING?

GARDENER'S CHECK LIST

By The California Association of Nurserymen

REMINDERS

1. Now that you are going to have many cuttings from winter cleanup, build a compost pile. Ask your nurseryman for some "how-to-do-it" clues.

2. Top dress lawns and shrubbery borders with steer manure.

3. Haphazard pruning can hurt shrubs and trees and, almost as important, keep them from living up to their full potential. That's why a good pruning manual should be part of every gardener's library. Ask your nurseryman for his recommendation.

4. Don't try to spray your garden without an adequate spray gun. You're just wasting your time using a small fly sprayer.

5. Check the attractive, hardy bedding plants available for transplanting to your garden now.

Christmas Foliage Plants

Let the two traditional Christmas colors, red and green, be the keynote to your holiday gift selection this year. Living green in the form of an attractively potted house plant for a thoughtful and long lasting gift. Add the red with a sparkling red ribbon.

Local nurseries throughout the state offer a wide selection of large and small potted house plants during the pre-holiday season, says the California Association of Nurserymen. In addition, the nurseries are able to furnish all the supplies required to prepare personally-designed planters, if the Christmas shopper prefers to give an individual touch to his gift.

Tropical house plants like philodendron make excellent Christmas gifts because they are distinctively beautiful, hardy and easily cared for. There are many different prepared arrangements of philodendrons and other tropical-looking house plants because of the wide variety of leaf shapes, colors and textures available. These tropical plants have become especially widespread in popularity among admirers of modern interiors, for it is in such settings that tropical plants really shine.

Among the other plants commonly favored by admirers of the philodendron are varieties of dracaena and sansevieria. Local nurserymen will be glad to suggest handsome combinations of these house plants for those shoppers who wish to design their own planters. In fact your nurseryman will be happy to prepare the soil and start your planter for you. Just tell him what you want and when you want it. It will be ready.

Many indoor gardeners have taken up the African Violet as a hobby, filling their east windows with favorite specimens of this very pretty plant. The same qualities which have prompted this popular collection—variety, beauty and ease of care—make the African Violet a welcome Yule gift. It is now available with flowers of many shades of purple, and pink and in white and with leaves of various textures, shapes and colors. The famed prototype of African Violets has fuzzy, heart-shaped leaves and is still the most widespread indoor plant encountered.

Another house plant which is very welcome as a gift, especially during the holidays when it is in bloom, is the Poinsettia. This is a handsome plant which will grow for many years under most conditions. In Southern California it is often successfully grown outdoors after its first blooming season. It does wonderfully well in such mild climates, making it an especially valued gift.

For those shoppers who wish to assemble their own planters, nurseries have many stylish and attractive planters in many sizes and shapes. Experienced nurserymen will caution to allow for future growth in choosing a planter, as overcrowding is dangerous to all potted plants. Other needed supplies are plants, fertilizers, and soil conditioners. Plants have individual soil requirements, so the shopper preparing planters for gifts should check with his local nurserymen to insure giving the proper lightness, nutrients and humus to his soil mixtures.

While the Christmas shopper selects his seasoonal gifts, he should coonsider selecting some small plants as token gifts to his hostesses during the Yuletide. Nothing is more likely to keep a hostess thinking of you from year to year more surely than a "thank you" gift of living green.

Soils For House Plants

Just what is a "green thumb"? It definitely is not luck or magic, cautions the California Association of Nurserymen. A "green thumb" is the first digit on the hand of someone who has learned what it takes to make plants happy.

One prime necessity for plant health and happiness is a soil mixture appropriate to the type of plant being cared for. This is especially important for indoor potted plants which are unable to spread their roots into nearby ground to get added nourishment.

Plants which are selected in nurseries are planted in soils which have been prepared according to proven formulas. Those gardeners who wish to arrange their own planters (or planters for Christmas gifts) would be wise to adopt similar formulas.

Philodendrons, so popular with modern indoor gardeners, and similar tropical plants usually take best to a balanced soil mixture consisting of two parts sandy soil, one part peat moss, one part sterilized leaf mold and one-half part well-rotted manure.

For that popular Yuletide gift, the Poinsettia, the experts recommend a formula containing six parts of sandy soil to each part of well-rotted manure.

The universally popular African Violet has been most successfully raised in a soil mixture made up wholly of leaf mold and peat moss: two parts sterilized leaf mold to each part of peat moss.

Local nurserymen will be glad to advise on the best sort of soil mixture of any plants selected which are unsuited to the formula listed.

One other important factor, the container, should be mentioned in connection with the potting of house plants. Because the plants are entirely dependent upon the soil in one container, the indoor gardener must be sure that the pot or container is large enough for the plant to thrive for some time to come.

Camellias

California's garden aristocrats, the camellia, azalea and rhododendron, make attractive Christmas gifts. In addition, they are sure to be welcomed by gardening friends and relatives with the enthusiasm and warmth which collectors of these beautiful evergreen flowering shrubs have been showing for years. The California Association of Nurserymen suggests that gift shoppers especially note the advantages of selecting camellias and azaleas in brilliant bloom during the holiday season.

Two of the most universally popular camellias are at their lovely best during December, the Kumasaka and the Daikagura. The Kumasaka is especially noted for its attraction as a shrub, apart from the certain loveliness of its rose-pink flowers. This rapid growing shrub has a compact, upright, rounded habit, making it a valued landscape addition. The variegated pink and white Daikagura is one of the earliest blooming camellias and still retains some blooms as late as March.

The azaleas which are in bloom now range from the brick red Dorothy Gish, a Rutherfordiana azalea, to the light salmon and white Indian azalea, Charles Encke. Local nurseries carry many lovely pink, red, orange and white azaleas at Christmas time becausue they have become such popular gifts.

Rhododendron plants selected as Christmas gifts will not be in bloom, but they make no less welcome gifts. Most plants will be well budded for bloom in April.

New fresh stock of these garden aristocrats is available at nurseries now. Rhododendrons will be either balled in burlap or in five gallon containers. Camellias will be in one and five gallon containers and azaleas will be in pots or one gallon containers.

If you should receive any of these fine shrubs as a Christmas gift, transfer it outside into a bed of pure peat moss—nothing else.

William Mueller Claimed by Death

Final rites were held Saturday at Campbell Memorial Chapel for William Mueller, 58, who passed away at his home December 4 after a brief illness.

A native of Germany, Mueller resided at 645 Sweetbriar Drive and had been employed by Food Machinery as tool and die maker.

He is survived by his wife, Martha; a son, William R. Mueller, Jr. of Los Gatos; a brother, Robert Mueller of Illinois; a sister, Mrs. Laura Austin of England, and two grandchildren.

Burial was in Los Gatos Cemetery.

Services Held For Youth, 13

Services were held Saturday in San Jose for Roger Brendal, 13, son of Mr. and Mrs. Harley Brendal, of 242 S. Wren Ave., who passed away last Thursday after a long illness.

Besides his parents, he leaves two brothers, Eric and Douglas, a sister, all of Campbell; and his grandparents, Mr. and Mrs. A. Stelma of San Jose.

Approximately 60 per cent of California's irrigated agriculture depends on reservoirs of groundwater.

MR. AND MRS. BILL RASMUSSEN ... are shown making the first cut in their wedding cake following their marriage November 3 at St. Lucy's Catholic Church. The bride formerly was Marilyn Kay, daughter of Mr. and Mrs. John Kwasigroch of Campbell.

Marilyn Kay and Bill Rasmussen Wed in Mid-Afternoon Ceremony

Wearing a bouffant floor-length gown of Chantilly lace over satin, Miss Marilyn F. Kay became the bride of Bill L. Rasmussen Sunday, November 3, at St. Lucy's Catholic Church. The mid-afternoon ceremony was read by the Rev. Denis Kennelly.

The bride is the daughter of Mr. and Mrs. John P. Kwasigroch of 190 Carlyn Ave. and sister of Mrs. N. S. Weslow of Campbell and 1st Lt. J. F. Kwasigroch, U.S. Army. She received her education in Chicago schools, graduating from Notre Dame Academy and is now a medical assistant to a local physician. She also organized and is past president of the Society of Medical Assistants of Santa Clara County.

The groom is the son of Mr. and Mrs. Noble Rasmussen of 346 San Jose Ave., Los Gatos, and brother of Mrs. Thomas Campbell and Neal Rasmussen. He is a graduate of Los Gatos schools and attended San Jose State College prior to four years service in the U.S. Air Force. He is employed by a San Jose firm.

Marilyn's gown was fashioned with tiered lace skirt with net inserts which swept into a chapel train, and a long-sleeved fitted bodice styled with a sweetheart neckline accented with sequins. Her fingertip illusion veil was embroidered with seed pearls and caught to a crown of pearls and squins interwoven with net. A spray of white orchids, stephanotis, and satin ribbons marked the prayer book she carried when escorted to the altar by her father.

Matron of honor was Mrs. Norbert S. Weslow, sister of the bride, who wore a bouffant skirted gown of mauve crystelline with matching hooded lace bolero and carried pink Aristocrat roses with matching pink streamers on a white prayer book.

Leading the bridal party were junior bridesmaids, Linda and Lisbeth Weslow, nieces of the bride, wearing wildberry crystelline dresses with matching hooded boleros of net. They also carried pink roses on white prayer books.

Neal Rasmussen, brother of the groom, acted as best man; Norbert Weslow and Robert Frederickson were ushers. "Ave Verum" was played by organist Victor Repetto, Miss Nancy Ash was vocalist.

For her daughter's wedding, Mrs. Kwasigroch chose a silver knit dress with jeweled collar, matching gloves, and a Dior blue hat and gunmetal gray shoes with jeweled trim. Her corsage was of pink pinocchio roses.

Mrs. Rasmussen, mother of the groom, wore a Dior blue crepe sheath with matching blue satin cummerbund, hat and accessories. Her flowers were Elf roses.

Clergy guests were the Rev. William Gianera, S.J. of Santa Clara University, and the Rev. Thomas Ahern of Campbell.

Immediately after the ceremony, the young newlyweds received 125 guests at a reception held at Almaden Country Club. After cutting their elaborate five-tiered wedding cake the new Mr. and Mrs. Rasmussen left for a honeymoon at Pebble Beach, the bride wearing a midnight blue velvet suit with white lace collar, white velvet hat and white accessories. An orchid from her bridal spray completed her going-away costume. They are now making their home in Santa Clara.

Yuletide Decor Provides Setting For Annual Tea

Huge green candles tied with green ribbons and colorful miniature fruits flanked each side of the fireplace at the Country Woman's Clubhouse for the annual Christmas Tea given by the Campbell Garden Club, Wednesday, December 4.

For the occasion, the tea table was spread with a green cloth and set with miniature Christmas trees, providing a striking background for the elaborate silver tea service. The holiday theme was carried out on the piano top with greenery and a white spiral styrofoam Christmas tree.

Presiding over the tea table were honorary members Mrs. Monica Parr and Mrs. Mary Triguero.

Guest speaker for the afternoon was Mrs. Maunsell Rensselaer, author of "Decorations with Pods and Cones", who talked about making decorations from dried materials such as flowers, pods and weeds. To illustrate her talk, she showed wreaths and a memory tree she had made from materials given to her by friends.

Guests of the club were Mesdames Alvin Williams, chairman of District 4C of California Garden Clubs, Inc.; and Mrs. John Meade of West Valley Garden Club.

New members present were Mesdames Peter Gange and Virgil Kiel.

In charge of decorations for the affair were Mrs. Charles Smith and her co-hostess, Mrs. Robert Scheid.

Yule Gift-Making Highlights Meet

A demonstration by Mrs. Wesley Berg on how to make attractive and inexpensive Christmas gifts was the highlight of the November meeting of Campbell High School Faculty Wives.

The meeting was held in Sunnyvale at the Kintyre Way home of Mrs. Berg who was assisted by co-hostessses Mesdames Charles Hensgen and Leland Pollock.

Mrs. Ken Wallace, ways and means chairman, reported on results of a cake sale held at the high school earlier this month and Mrs. Wade Wilson, president, led a discussion concerning possible money making projects for the Faculty Wives scholarship fund.

NOVEMBER BRIDE AND GROOM . . . are Mr. and Mrs. Robert Saia, who repeated their wedding vows November 10 at St. Lucy's Catholic Church. The bride is the daughter of Mrs. Robert A. Priest of Saratoga, and is a teacher at the Rosemary School.

Newlywed Robert Saias Return From Honeymoon Trip to Mexico

Now residing at 2041 Beatrice Court, San Jose, after a honeymoon trip to Ensenada, Mexico and Southern California, are Mr. and Mrs. Robert J. Saia who repeated their marriage vows November 10 at St. Lucy's Catholic Church.

The 4 p.m. double ring ceremony was read by the Rev. Thomas Ahern.

The bride was formerly Barbara Lee Priest, daughter of Mrs. Robert A. Priest of 20540 Komina Ave., Saratoga, and the late Robert A. Priest, and sister of James K. Priest. She is a graduate of Los Gatos High and San Jose State College where she was affiliated with Chi Omega Sorority. At the present time she is a teacher at Rosemary School.

The groom is the son of Mr. and Mrs. Mario Saia of 550 Cambrian Drive and brother of Gloria Saia. He graduated from Campbell High and from San Jose State College where he majored in real estate and insurance and was a member of Sigma Alpha Epsilon Fraternity. He is in the retail meat business.

For her wedding, Barbara selected a waltz length Princess gown with bouffant net overskirt and a bodice of lace over satin styled with V-neckline and long lace sleeves. A coronet of seed pearls held her veil and she carried a bouquet of bovardia centered with a purple-throated white orchid when given in marriage by her uncle, Ray Priest.

Preceding the bride were her twin cousins, Charleen and Kathleen Bernardi, who wore white dotted swiss dresses with blue sashes and head bands and carried baskets of pink rosebuds and carnations.

Maid of honor was Miss Gloria Saia, sister of the groom, who wore a waltz-length pale blue taffeta with brocade godets and carried a bouquet of matching blue carnations.

Bridesmaids gowned identically in pale pink taffeta were Mrs. Jack Kent and Mrs. George Hazlett. Their bouquets were matching pink carnation.

Duties of best man were performed by Charles Barret. Ushers were William Samford, Robert Gallagher, and Jerry Dore.

Mrs. Priest, the bride's mother, wore a pale blue sheath with neckline edged in black velvet and black accessories. Mrs. Saia, mother of the groom, chose a brown lace sheath with brown accessories. Both mothers pinned on orchid corsages.

Following the wedding ceremony, a reception was held at Villa Montalvo for 200 guests who offered their felicitations to the newlyweds. Pink carnations and wedding bells decorated the couple's four-tiered wedding cake and carried out the bridal theme.

Before Mr. and Mrs. Saia left on their honeymoon trip, the bride donned a cocoa brown knit suit with pink and brown accessories.

Official Visits Campbell OES

Chapter and banquet rooms were decorated with a winter theme when Mrs. Howard Church, grand deputy of the 37th district, paid a visit to Campbell Chapter 553,Order of Eastern Star, on Friday, December 6. Mr. and Mrs. Robert Kelly, worthy patron and matron, presided over the meeting in which Mrs. Church was escorted to the East and introduced.

Mrs. Vern Suess filled the station of conductress in the absence of Mrs. Glenn Siegner, and Mrs. Walter Elky, the station of Mrs. Cal Barnett, associate conductress.

Chairman for the evening was Mrs. Eleanor Davis. She was assisted by Don Hartman and Mesdames Laura Duborg, Robert DuBois, Gene Waggoner, Cal Barnett, Willis Braach, and Darryl Anderson.

Any man more right than his neighbors constitutes a majority of one already.

Altar Society Holds Annual Christmas Party

Approximately 60 people attended the potluck dinner and annual Christmas party held by St. Lucy's Altar Society December 5 in the parish hall.

Mrs. John Kay, president, conducted a brief business meeting after the dinner and introduced honored guests: Mrs. Herbert Mabie, president of the Mothers' Guild; Mrs. John Chrismon, president of the new Pius X Guild; St. Lucy's pastor, the Rev. Father Denis Kennelley; and his assistant, the Rev. Father Thomas Ahern.

Father Kennelly spoke briefly, praising the accomplishments of the Altar Society through the years and also welcoming and lauding achievements of the church's newer organizations.

Mrs. Ralpr Nelson introduced participants of a Christmas program in which Miss Lynda Weslaw played a piano solo and Miss Susan Bowles entertained with a tap dance.

Mrs. John Kay presented several vocal selections and led the group in a community sing of favorite Christmas carols. She was accompanied on the piano by Mrs. Ambrose Metcalf.

After the program, gifts were exchanged, each person also receiving a small candy cane from a gaily decorated tree. Table decor carried out the traditional spirit of Christmas with greenery, red berries and huge red candles. A special dried arrangement by Mrs. Monica Parr decorated the piano top.

Those in charge of the affair were Mesdames Felice Robba, Arthur Smith, Elmer Jones, and Fred Smith.

Camden Names Football Queen

Eloise Olsen has been named Camden High Football Queen and will be crowned at the Christmas dance, "Santa's Surprise", toworrow night, December 13. The queen's attendants are Judy Sayer, Jeannette Brozzone, and Frankie Renard.

Campbell High School's "Saints" will furnish music for the dance.

Choir to Present Concert of Christmas Carols

As added inspiration for the Yuletide season, a concert of traditional and modern Christmas carols will be presented by the 25-voice choir of the Congregational Church on Sunday, December 15, at 7:30 p.m.

The public is invited to attend the concert which is free of charge although a free-will collection will be made. Proceeds will be used to help defray costs of new choir robes.

Richard Gordon, Camden High School music instructor, is choir director and supervisor of the program.

Beside selections by the choir, the program will include a narration by Floyd Munson with background music, "Christmas Introit," by the choir.

Solo numbers will be "I Wonder as I Wander" by Mrs. Rita Field, "He Feeds His Flock" by Mrs. Shirley Brandt, and "O, Holy Night" by Mrs. Marilyn Abbott. Mrs. Leslie Frasier, church organist will play "Jubilate Deo", and the women's chorus will sing a medley of Christmas Lullabies.

Numbers to be offered by a trio composed of Mesdames Katherine Schanz, Marilyn Abbot, and Emily Roberts are "Holly and Ivy", and "O, 'Little Town of Bethlehem."

The entire mixed choir will sing "O, Come Emanuel", "Lo, How Roses 'Ere Blooming", "What Child Is This?", "Bring a Torch, Jeanette, Isabella", Christmas Anthem", "Coventry Carol", "O Holy Night", and "Ring Christmas Bells".

CHRISTMAS DINNER

The annual Christmas dinner for all employees of the Campbell Union High School District took place at the Camden High cafetorium on Wednesday night.

HOLIDAY DECOR . . . Members of Blossom Valley Garden Club pose with a display of a few of their arrangements for holidays and special occasions which were exhibited at a tea held recently at Congregational Church. Shown left to right are Mesdames William Dose, Fred Starbuck, James Goble, Maynard Knopf, president of the club, and Lura Smith, who demonstrated arrangements.

Garden Club to Hold Yule Party

Carol singing and a potted plant exchange will be highlights of Blossom Valley Garden Club's annual Christmas party which will be held next Wednesday, December 18, at the home of Mrs. Carey Harris, 650 Dry Creek Road, at 1 p.m.

Mrs. Maynard Knopf will preside over the business session which will include making plans for "Men's Night" in February. All members are urged to attend.

The executive board will meet at 11 a.m. the same day and members are asked to bring a sandwich lunch; the hostess will serve coffee.

Arrangements for special occasions were demonstrated by Mrs. Lura Smith at the tea held November 20 at the Congregational Church. Guests for the afternoon were members of West Valley, Aldercroft Heights, and Campbell Garden Clubs.

Mrs. Bishop Heads New Bucknall PTA

Mrs. Emily Bishop, 4666 Engle wood Drive, heads the newly organized Bucknall PTA. She was installed president at an organizational meeting at the school on November 21. Staff officers assisting her are:

Mrs. Allen Grundmeier, 1st vice-president; Mrs. Phillip Hurd, 2nd vice-president; Mrs. Jannane Barrett, 3rd vice-persident; Gerald DeMars, treasurer; Mrs. Gene Riordan, secretary; Mrs. Jane Sullivan, historian; Sal Millan, parliamentarian; and David Orser, auditor.

Committee chairmen are: Mesdames Robert Culp, child welfare; J. D. Dutton, room mothers; Letzel Hoover, hospitality; Tom Gannon, telephone; Richard Burton, inside publicity; Milton Straughan, child care; Walter Silva, outside publicity; Allen Grundmeier, program; Phillip Hurd, budget; and Jannane Barrett, ways and means.

The executive board met December 5 and made plans for the coming year. Its first purchase will be a Christmas tree for the school office.

The next meeting of the PTA will be the evening of January 16.

Mothers Fete Teacher with Stork Shower

Mrs. Maureen D'Atillo, teacher at Rosemary School, was the greatly surprised recipient of a stork shower Wednesday evening, December 4, attended by mothers of her kindergaten pupils.

Instead of going to a movie with a friend as she had planned, Mrs. D'Atillo walked into a party at the home of Mrs. Joy Gundy, 387 N. Milton Ave. and found herself the honoree.

A cone-shaped canopy of alternating pink and blue streamers from ceiling to table edge carried out the shower theme and lent a festive air to the occasion. Table centerpiece was a huge cake decorated with pink and blue booties and flowers.

Strawberry PTA Schedules Events

"What Is A Good Boy" was the topic discussed at the December 5 meeting of Strawberry Park PTA, with a staff member of the Family Service Association as leader. Mrs. Frank Piasecki presided over the meeting.

A Christmas party for the students will be held at the school Friday, December 20, with room mothers assisting the teachers.

The monthy board meeting will be held in the Teachers Room January 30, 1958.

The next regular PTA meeting will be a dinner meeting at Moreland Cafetorium at 6:30 p. m. February 6. Topic for the evening will be "What and Why P A T" with Mrs. Leonard Meritt as leader. A Nominating committee wil lalso be appointed at this meeting.

Campbell Slates Christmas Ball

Festive white set off by red and abundant splashes of glitter, present nearly everywhere during this time of year, will help usher in the Christmas season this Friday, December 13, at Campbell High's traditional Christmas Ball to be held in the girls' gym from 8:30 to 11:30.

"Winter Wonderland" is officially chosen as the theme for this gala affair by Social Affairs Commission headed by Commissioner Raymona Manning. San Jose High's sixteen piece band will provide music for the dressy-dress affair under the direction of Mr. Ross Berganze.

Camp Fire and Blue Bird News

Mrs. Ray Coe was re-elected chairman of Campbell Leaders at the December meeting in which Mrs. Harry Smith was nominating chairman. New officers to serve with her are Mrs. Orville Johns, vice-chairman, and program planning; and Mrs. Gerald Allen, secretary.

—o—

Notice to scribes: Publicity chairman, Mrs. Naomi Jones, can be reached by phoning FR 8-6221. For best results, stories should be called in by Monday evening.

—o—

The January leaders' meeting will be held the second Thursday of the month instead of the customary first Thursday because of the holidays. The meeting place will be announced at a later date. Dover leaders will be hostesses.

—o—

A craft training session is scheduled for January. Details will be released at a later date.

—o—

Headquarters wants samples of Blue Bird and Camp Fire crafts for the exhibit on January 24. Groups having something to show are asked to call Mrs. Phyllis Black, field director, at the Camp Fire office. Mrs. Black also will take exhibits for the February candy sale.

—o—

Civic Service News: Campbell District always sends gifts to the old ladies ward at the county hospital. Those contributing should remember not to include anything breakable and list contents on the outside of the box to help nurses in distribution.

—o—

Old gentlement at Elmwood would appreciate cookins in reusable containers. They have requested false teeth jars (decorated peanut butter jars).

New Blue Birds who would like to do something for the hospital can make tray covers and Christmas Eve candles for tray favors. These candles are strictly decorative and non-burning.

All projects should be turned in to Mrs. Mary Smith not later than December 18.

Another Camp Fire project is making and filling stockings for children of county jail inmates. Make one sock for a specific age and sex and make notation on the outside. Fill with gifts, fruit or candy. Although these men are allowed to go home for Christmas, they have no gifts for their children.

The party will be Saturday, December 21, and all gifts should be in by December 19. Mrs. Coe will receive them for the Campbell area.

—o—

Jolly Blue Birds, a new second grade group at Dover School, are busily making Christmas decorations and gifts.

Members are Pamela Cozzins, Ann Davidson, Claudia DuBois, Susan Jarvis, Sandra Mathis, Roberta Meyling, Susan Miskulin, Toni Van Riper and Marlene Stewart.

Mrs. Wes Mathis is group leader; Mrs. Cliff Van Riper is her assistant. Sponsors are Mesdames George Miskulin, Glenn Davidson and Stanley J. Jarvis.

—o—

It's time to start planning the dad and daughter parties.

—o—

O-Ki-Se-Lo Camp Fire Girls of the San Tomas area had a unique exhibit at a recent leaders' meeting. They exhibited a picture-box story of Camp Fire Law in eight parts, showing a choir, woodland, hospital, library, flag, outdoor, housework and a camp fire scene. Little dolls, made and dressed by the group, depicted the various phases of Camp Fire Law.

The girls are in the sixth, seventh and eighth grades and are led by Mrs. Warren Hill. They are now working on their Woodgatherer's rank.

Members are Vickie Blackburn, Nancy Boyd, Ann Charrington, Pat Conger, Bernice Funderburg, Shirley Harris, Ellen Hill, Sharon Janes, Mary Ann Reece, Renetta Romine. Mrs. Harold Romine is their sponsor.

—o—

Blue Birds of Campbell are invited to attend the San Jose District's roller-skating party at Rollerland Saturday, December 14, from 9:45 to 11:45 a.m. Admission is 35c for those having wooden skates and 65c for rented skates plus one toy to be repaired. The toys will be repaired by the firemen and donated to the Jail Farm Auxiliary for needy children.

—o—

Juniord High Y and Camp Fire Girls' (sixth, seventh and eighth grades) hay ride and recreation barn dance will be Friday evening, December 13. Meet at the YMCA at 7:30 p.m. wearing peddle-pushers. There are games scheduled for non-dancers. Leaders must make reservations by today, December 12, Admission is 40c. Parents will pick up their daughters at the "Y" at 11:30 p.m.

The party will be well chaperoned by both "Y" and Camp Fire parents. This is the first year sixth graders have been invited so they will be given special attention to insure their having a good time.

—o—

Camp Wastahi needs a lot of work done before the heavy rains start. Dads, especially electricians and carpenters, are invited to get away from the city roar and work a little while in the mountains. Whole families can come and have a picnic.

Parties began work in December and will continue working from January 4 on.

To make arrangements call Frank Orahood, CL 8-7458, or Camp Fire office, CY 5-1285.

Midget Meat Muffins

Just four ingredients and 45 minutes and you're all ready to sit down to a meal of Individual Ham and Macaroni Muffins. It's ground smoked ham and ground lean pork you'll find in these macaroni muffins. Time you try 'em and see for yourself.

Many homemakers are in an occasional dilemma concerning the use of leftovers. Actually it is the smart homemaker that plans on leftovers.

For the homemaker that plans on a cured pork roast for a Sunday dinner, it is a lifesaver to have this recipe for Individual Ham and Macaroni Muffins at your finger tips.

Easily prepared, says Reba Staggs, meat expert, this recipe calls for ground smoked ham, ground lean pork, cooked macaroni and cheese and an egg.

For a large family, the recipe is easily doubled. Undoubtedly, the men of the household would enjoy two or three of these muffins. Menu accompaniments might include a green vegetable, tossed salad, salt sticks and an ice cream sundae.

Individual Ham and Macaroni Muffins

1 pound ground smoked ham
½ pound ground lean pork
2 cups cooked macaroni and cheese
1 egg

Combine all ingredients thoroughly, cutting macaroni into small pieces. Grease 12 small or 8 medium size muffin pans. Fill pans with meat mixture. Bake in a moderate oven (350° F.) for 45 minutes. Yield: 6 to 8 servings.

Society Donates Christmas Toys

Members of the San Jose Lapidary Society have donated some 75 new toys which will be distributed to needy families in the Campbell School District this Christmas, according to Mrs. Florence Fuller, society member.

The toys, donated by the members at their annual Christmas dinner, will be distributed by Dr. Lydia Verbarg, Campbell Elementary School doctor, and the school nurses.

The toys are used in Christmas baskets made up by classes at the school.

The attitude of the spectator is not enough. Spectators of life are not those who will fight to retain their liberties.

Health Office Conducts Public Polio Clinics

The first of six public polio vaccination clinics scheduled during December and January, took place this Wednesday, the Santa Clara County Health Department announced.

The clinics will be held Wednesdays, 2:00 p.m. to 4:00 p.m. on December 18, January 8, 15, 22 and 29 at the Santa Clara County Health Department, 2220 Moorpark Ave., San Jose. There will be no clinics Christmas or New Years Day.

First, second and third injections of Salk vaccine are available to adults as well as children.

A complete series of three injections is necessary for full and lasting immunity against paralytic polio. For best effect, the second injection should be received four to six weeks after the first. Seven months to a year should separate the second and third injections.

W. Elwyn Turner, M.D., Director of Public Health, pointed out that those residents who received their first shots last spring are now ready for their third. He urged them to seek full protection through a third injection either in the offices of the private physician or at a public clinic.

A large number of families in Santa Clara County have not been totally protected against polio. Some families are not protected at all. "It is not enough to have only the children vaccinated," Dr. Turner said. "The family is then only half safe. Paralytic polio in anyone is tragic. In a father or mother it is doubly tragic because of the effect on the family unit.

On Running the Town

We are pretty certain that when Attorney John M. Burnett implied by a rhetorical question at the last City Council meeting that The Campbell Press was trying "to run the town", he did not mean to be complimentary, although we hope he doesn't mind, if we are inclined to take it thataway.

Although he prefaced his question with the admission that the "community has a good newspaper", the attorney's implication was that the editor and publisher of The Press was, through the columns of the newspaper, trying to jam something down the people's throats, which is far from the truth.

The attorney had to dig pretty deep for that, and he is on pretty shaky ground when he accuses someone of "running things" just because that person does not happen to agree with him.

Actually it isn't completely fair to criticize any statement that Burnett made because he was using all the tricks of his trade for something he was paid to do, and how he feels personally about the matter is something we can't answer. He was hired to do a job and as a hired hand he put on an act to show his clients that they were getting their money's worth.

We feel quite complimented that he felt that it was necessary to make this newspaper a "whipping boy" along with the city planners and city councilmen in order for him to justify his fee and try to show that his clients were being mistreated by such a "powerful group".

According to Burnett's theory, there is no room in his world for people to disagree with him. If they do, they must belong to a pressure group who are out to browbeat the poor, unsuspecting people. Such a theory, of course, is not founded on common sense.

The Press is dedicated to the principle that every effort should be made to improve the conditions of our community. We hold that we have enough shabbiness now in our town to do us for a long, long time. We will strive continually to better conditions through the editorials of this paper.

If that be "running the town" in Mr. Burnett's book, then we stand guilty as charged.

The weakness of the charge, however, is that we don't seem to be getting any place with this "running"; so it's all pretty frustrating.

The Press feels that "Controlled Manufacturing" zoning will provide one of the necessary means to improve conditions in the industrial section of the town.

At least under "CM", we think the chances of having another "shanty town" spring up will be lessened. We are all for trying to raise the standards in Campbell, and not to lower 'em. We reckon that could be called "running the town". That is, if we were getting any place with our ideals.

But we don't seem to be getting anywhere with 'em.

The San Jose attorney claims that the people in the town don't care about "CM" one way or another despite the editorial pleadings. Therefore, he reasons, why should it be enacted when the landowners in the industrial park so vigorously dislike it.

Burnett's assumption is quite reasonable when taken purely on its face value. But we think that face value alone is not enough on something as important to the community's future.

It is not our intention to create a bitter controversy by advocating the adoption of "CM". But we sincerely believe that our newspaper has a duty to its community to act as a watchdog and to strive for improvements. We feel that we must take vigorous stands in our editorials in order to attain our objectives.

We know full well that our editorial stand may not always be the popular viewpoint. But, if we sincerely believe in an ideal, we will not hesitate to say so.

We do resent Burnett's implication that we are trying to "run the town". One would think that a person of Burnett's mental stature would be able to differentiate between "bossism" and "idealism".

There is a difference—and we are subject to criticism for our ideals.

We have no fault to find with Burnett's soap-box oratory or his act for his clients' benefit. He puts on a good show and admittedly he has considerable merit to his case.

We defy him, however, to find anything but factual reporting in the news stories about the "CM" hassle. (We even reported his charge against The Press).

We have said before that in our news columns one will find the facts, and in our editorials one will find our editorial stand.

We think we do a pretty good job about not mixing the two. We sincerely try to.

Over the Years

By John D. Blaine

Perhaps citizens of Campbell would welcome as a Christmas gift more complete enforcement of its bicycle ordinance.

Last week I obtained a copy of this ordinance, and I was amazed to see how complete it is.

For instance, Section 13.42.1 reads, "No person shall ride a bicycle upon any sidewalk".

To repeat, "No person shall ride a bicycle upon any sidewalk." On seeing that sentence I could hardly believe my eyes.

I took off my glasses, cleaned them thoroughly, and looked again. And still the ordinance said, "No person shall ride a bicycle upon any sidewalk."

In my excitement I compared with the bicycle ordinance of the Town of Los Gatos, of which I had obtained a copy. In the Los Gatos ordinance I found more detail. I read:

"Juveniles under the age of 10 years, exercising due care, may ride and operate their bicycles upon the sidewalk except such sidewalks as are in front of stores or other buildings used for business purposes, and except in commercial and business districts."

I think the foregoing very reasonable. It seems to me fair to small children and at the some time clear as to what prohibiting bicycle riding on a sidewalk means. It means an effort to obtain public safety. Danger is obviously greatest where there are the most people.

The Los Gatos ordinance I therefore thought the more intelligent. And perhaps this is to be expected. In Los Gatos a larger proportion of folk go to college. I have heard that 90 per cent of high school graduates in Los Gatos receive college recommending credits.

Another thing, Attorney Richard Morton was not present at the meeting when the City Council of the City of Campbell passed its bicycle ordinance. Councilman Morton has been a professor of law. An ordinance as important as the bicycle ordinance should have benefit of his consideration.

I hope Councilman Morton will reexamine this ordinance and recommend some improvements. Certainly there is a vast difference as to where riding a bicycle upon a sidewalk is done. Children riding back and forth in front of their own homes mean something very different from riding on a sidewalk in front of stores.

Even folk living in subdivisions sometimes leave their cars standing unlawfully with right wheels run up on the sidewalk. Even in Fewtrell Avenue whose residents made quite an uproar on account of speeding and insisted that loose gravel be scraped off—even here I have seen cars parked with their right wheels illegally on the sidewalk.

What I mean is that adults take privileges where they live. And children may be expected to do likewise. But in a business district the situation is very different. Here we have a right to expect consideration for the public.

One place where cycling children do not show consideration for the public in our town is in parking on the sidewalk in front of stores. It is not unusual to see two or three bicycles lie sprawling in such a way as to make a sidewalk in a business district completely obstructed.

Section 13.41.1 of our bicycle ordinance says that "parking of bicycles on sidewalks is permitted if such bicycle is equipped with a kick-stand and the same is utilized and such parking shall be as close to the curbline as possible."

Perhaps the language here wouldn't wholly pass in school but we know what is meant. It is meant well and certainly beats the general practice.

The Los Gatos ordinance is perhaps a little more scholarly and runs: "bicycles may be parked on the sidewalk in an upright position parallel to and within 24" of the curb." We certainly know what is meant here, and we agree with it.

Punishment for violating the bicycle ordinance in Los Gatos may be $300 fine or three months in jail, or both. But juveniles under 18 may have their bicycles taken from them and impounded for not more than 30 days.

Oh, brother! In Los Gatos it pays to be not over 18; in Los Gatos or almost anywhere. Too bad we can't stay under 18 forever.

But no serious signs of enforcing our bicycle code fully in Campbell have appeared as yet. Hence punishment is hardly a question. From what I have seen in Los Gatos the situation there seems better. But as suggested at the first, possibly Santa Claus will do something for us in this department this year.

OUT on the LIMB

with George Vierhus

We have been meaning to report for sometime that we received through the mail from the A-1 Manufacturing Co., of Chicago the little all-metal gadget called "the Third Arm".

Some of you might recall that we described in this column a while back how this "third arm" works and how its inventor thought up the idea in the first place. (He was left to tend the baby one night and was frustrated when it came to giving the baby his bottle and performing the many other allied functions at the same time.)

We confess we had a hunch when we described the gadget, using the news release the company sent as our guide, that we would be rewarded for our pains.

We are happy to report that we now have a "third arm" in our office. We have yet to put it to use. Our phone already has one of those little attachments which allows one to hunch a shoulder and continue writing.)

However, we are certain we will be able to find a use for the "third arm" one of these days, inasmuch as the blurb on the container claims it has a "thousand uses".

Our point in telling you about this is simply to show you how we obtained it.

If we were sure we would get the same results, we would gladly devote the same space to describe the features of, say, a Cadillac, an Olds, a Ford, a Chevie or a Volkswagon.

Heck, let's be frank about it . . . even a wheelbarrow.

—o—

The Campbell Press received considerable recognition at the last City Council meeting when the virtues and sins of "Controlled Manufacturing" zoning (good old "CM") were cussed and discussed.

Attorney John M. Burnett, as spokesman for the embittered landowners to whom "CM" has become anathema of the very worst degree, took The Press to task for its apparent biased stand on "CM".

We didn't mind being blasted by Burnett, although we wish he had prefaced his remarks with the statement that our apparent favoritism toward "CM" only showed in the editorials. We proudly boast that our news stories are always factual to the best of our ability.

We dutifully quoted, for example, Burnett's statement that the publisher of this paper should not be allowed to run the town.

Even if such an accusation left us with our mouth wideopen.

If by "running the town" means advocating anything which we feel will benefit our community, then we stand guilty as charged.

The only trouble is that we don't seem to be getting any where with our "bossism".

—o—

We hope that we will always be able to stand criticism.

Ye gods, we certainly hand out enough.

But we do resent being accused of having some sort of ulterior motive just because we happen to disagree with another's viewpoint. We think the Planning Commission and the City Council have a right also to resent the slurs tossed at them in this bitter "CM" hassle.

We have always admired Councilman Myron Fairchild for his fair-minded attitude on all city problems and his ability to keep foremost in mind what he feels is best for the community as a whole.

Our admiration for Myron is not lessened to any degree just because he has indicated that he has joined the opposition to "CM".

Shucks, wouldn't it be a heck of a place to live in, if everyone agreed with you?

As a matter of fact, despite Attorney Burnett's ranting and raving we think he did a workmanlike job in the task he was hired to do, although we disagreed with almost everything he said.

—o—

We also hold that a guy has a right to change his mind, if he is convinced that the change is for the better. We haven't too much faith, and we imagine you don't either in someone who is constantly swinging from side to side.

But there is no reason for any one to be completely dogmatic about a subject either.

That is why we appreciated it when our friend, Ray Townsend, now a bitter foe of "CM" and all its implications, told the Council that he was now convinced that "CM" was wrong, although he favored many of the restrictions in the past.

Shucks, men as well as women can change their minds.

We enjoyed Ray's simile in describing the faults of "CM" although we hardly think it applied.

As a former Kansan, Ray spoke of "chumming the fish".

We hadn't heard this Midwestern expression before, as we have been confined to California most of our life except for our World War II service.

Ray explained that back in Kansas they "chummed the fish" by tossing them corn to get them ready for the hook. He likened the landowners in the industrial park as in this instance as the fish who were "chummed" and now were being hooked.

—o—

This doesn't pertain to anything in particular but we noticed in a news story we were rewriting from the Campus Echo that a "brass choir and combined glee club" were going to take part in the Christmas program of the high school on December 18.

We haven't had an opportunity to go into this matter as yet but we are curious as to how a "brass choir" operates. We had always thought choir pertained to voices.

It may be, like Lyle Ray, our office manager, suggested when he read the proof that it was a choir composed of the "brass" of the school.

We'll let you know what we find out. We know you can hardly wait.

CITY TAX INCOME

At the last City Council meeting, City Clerk Dorothy Trevethan reported that the City of Campbell has received $1,921.08 for unsecured municipal taxes and that $2,047.18 had been received from the sales tax, making a total of $23,990.57 that has been received in sales taxes to date this year.

The highest point in Colorado is Mount Elbert, 14,431 feet.

REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

We all marvel and applaud the tight rope walker because we realize the difficulty of his feat. If he falls he is forgiven while his success is greeted with a thunderous ovation because we know he should have failed. I wonder why we can't be as tolerant of the government official who tries to walk that thin line between the frying pan of inflation and the fire of recession?

From 1933 to 1953 the cost of living went up over 100% for an average of 5.5% per year. From 1953 to 1956 we had virtually no increase but since then we have had a raise of about 5%, not bad for an average. But the public has demanded a cure for inflation, and rightly so.

Since 1953 your government has fought inflation with a $7.4 billion tax cut (the largest in history) three balanced budgets, and three successive reductions in the national debt, all weapons against inflation. It has tried to cut its own expenses but the Russian threat plus demands for greater domestic expenditure have made that impossible. Your government has watched the buying habits of John Q. Public change from whole chickens and hand cranked car windows to cut up cartons of wings and breasts and push button auto ventilation. All of this takes more labor and has resulted in an 8.2% increase in the cost of foor and more money for automobiles while the farmer and car dealer have lost money. Your government can't tell you to cut up your own chicken and crank your own windows but when all else fails it can curtail public buying habits by making less money available—hence the "tight money" policy.

It is well recognized that overextension of credit is a principal cause of inflation. Making money and credit harder to get is one way of keeping people from going too far "out on a linb". To be sure, the tight money policy isn't just to make you crank your own car windows and cut up your own chicken but the example shows how we as a nation have become a little bit prone to spend instead of save. "Tight money" is to protect us from ourselves.

Tight money isn't popular. The husband with the "hangover" may resent the wife who refuses to give him that "morning after" drink. But if he thinks it out he will realize that the temporary relief he might get at the corner pub will only compound the eventual agony and sooner or later he must face the reality of cutting out the real cause of his misery.

Tight money can be overdone, however, and could help to cause a recession, in fact I would say that we are perilously close to such a situation at the present time. There are ample signs today that inflation has again been stopped and the government will relax its tight money policy to stop a recession before it is too late. Some will say it is already too late but let us never forget that fire engine which runs to every puff of smoke may be out of commission when a big fire comes along.

When you look at our government's problems I'd say that the tight rope walker has it easy!

HOSPITAL BOARD MEETS

The December meeting of the West Valley Hospital District board of directors will be held tonight at the First National Bank Building, 308 N. Santa Cruz Ave., Los Gatos. The Rev. C. James Miller is chairman of the board. The board will receive the report from the district's public relations counsel and discuss whether the firm should be retained. A report will also be made on the status of the existing building on district property.

Wilson Purchases Jewelry Business

Robert C. Wilson this week took over the ownership of the Campbell Jewelers, 86 E. Campbell Ave. having purshased the store from Russell Frey. Wilson plans to change the name of the business to Wilson Jewelers.

Wilson, an experienced jeweler, has been employed by the W. C. Lean jewelry firm in San Jose for the past 10 years. With his wife, Barbara, who is employed as secretary in the cafeteria department of the local elementary school district, and two daughters, Joan and Kay, he has resided at 591 Emory Ave. for the last 10 years. Joan is a student at Campbell High and Kay is in the second grade at Cherry Lane.

Wilson, who has lived in California most of his life, learned the watchmaking trade in Denver after Word War II. He had served in the Army for 11 years.

California has some 84,500 farms that require 19 million acre feet of water annually.

Give sleep for Christmas
Put an electric blanket on your gift list

A good night's rest would make a wonderful Christmas present . . . *and it's yours to give year 'round in the form of an electric blanket.* Yes, everyone sleeps better under the gentle warmth of an electric blanket. Here's how.

Just dial the sleeping temperature that suits you, then turn over and zzzzzzzzzzz. Luxurious warmth is spread evenly over your entire bed. And no matter how cold it gets during these winter nights, the blanket *automatically* adjusts itself to your original setting. All you do is sleep! So put it on your Christmas gift list—*an electric blanket.*

P.S. Because electricity is cheap in California, an electric blanket costs just 1¢ a night to operate!

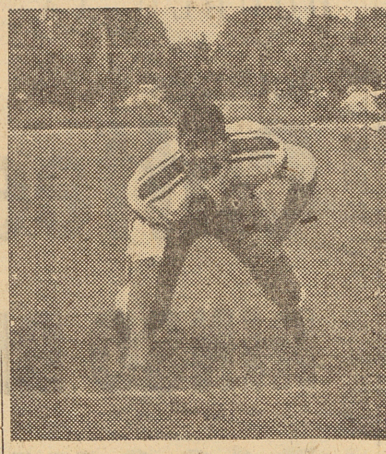
Bucs Awarded All-SCVAL Honors

BOB WHITEWING
... Passing star

VERNE WALTON
... Jarring Tackle

ROY TANNEHILL
... Rough guard



KEN BURAN
... Ground Gainer

TOM FARLEY
... Rugged linebacker

Five Campbell High Bucs received honorable mention awards on the All-SCVAL football team selected this week by a vote of the league coaches.

Fullback Ken Buran, guard-linebacker Tom Farley, guard Roy Tannehill, tackle Verne Walton and quarterback Bob Whitewing were the Bucs winning awards.

Buran was the Bucs' leading ground gainer for the year and was on the receiving end of many of Whitewing's passes during the season.

Farley, the Bucs' rough and tumble linebacker, made twice as many tackles as any other defensive player and opened plenty of holes for Campbell backs on offense.

Walton and Tannehill were both line standouts for the season. Walton and Farley were the only seniors selected. Buran, Whitewing and Tannehill, all juniors, will be back next year to plague Campbell opponents.

Six Camden gridders also received honorable mention in the award selections.

Tailback Greg Rocha, tackle Warren Roberts, end Mel Profit, guard Dave Madril, halfback Al Okamoto and quarterback Bill Murphy represented Camden in the selections.

League champion Santa Clara domiinated the offensive and defensive teams selected, placing six players on the teams, with three of the six winning positions on both squads.

Fremont and James Lick both placed three players on the squads.

Outstanding lineman for the season was end Larry Guilford of Santa Clara while Chon Gallegos, Lick's aerial-minded quarterback, was named outstanding back for the second straight year.

Camden Five Bows In Season Opener

Camden High's Cougar varsity lost their opening game with Lincoln High last week 41-34 as Lincoln went on a 17 point scoring spree in the fourth quarter to break a 16-16 third quarter tie.

Lincoln's Rich Hosley, high man for the game with 19 points, led the team in the last quarter effort by sinking 12 points.

High men for Camden were Mel Profit with 13 points and Greg Rocha with nine.

In a preliminary to the varsity contest the Camden "B" squad opened their season with a 32-22 win over Lincoln, scoring ten points in the fourth quarter to ice the game.

Buc Bee Gridders Win Five Spots On All-Loop Team

Campbell High's Bee football squad was well represented on the All-SCVAL "B" football team as five Campbell gridders were named to the all-star second squad.

Sophomore Marc Bahl and senior Jim Toyota led the list of Buc Stars by being named to both the second offensive and defensive teams.

Bahl, the ground gaining workhorse for the Bees all season, won a backfield spot on the offensive squad and was named to a linebacker position on the defensive team. Toyota, an outstanding tackle for the Bees all season, won that position on both teams.

Ends Bob Straight, a sophomore and Harry Tomisako, a senior represented Campbell on the offensive and defensive teams respectively. Senior halfback Ron Wilson, one of the Bees' top ground gainers offensively this season, was selected to one of the defensive halfback positions.

Santa Clara's undefeated league champions dominated the teams with ten gridders on the two first teams. Santa Clara tackle Gary Langone and halfback Leon Snow were named outstanding lineman and back of the year.

Camden High's Dave Hill joined four Camden teammates on the all-league squads. Hill, a junior won a tackle spot on the first offensive team.

Guard Jess Macias, quarterback Jay Williams and tailback Fred McCune represented Camden on the second offensive team. Macias and Williams are juniors and McCune is a senior.

Campbell Matmen Upset Camden 29-22 In Season Opener

Coach Rod McDermott's Buc wrestlers surprised a favored Camden squad by toppling the Cougars 28-22 in a SCVAL match this week at Campbell High.

The Bucs won seven out of twelve bouts with one bout ending in a draw in their first season match. Returning veterans Dave Nevis and Harry Tomisako, who both finished second in the conference last year, won two important bouts in the 120 and 127 lb. divisions.

Ken Buran, wrestling for the first time in varsity competition, pinned Camden's Grove in the 175 lb. class, serving notice that Campbell would have some power in the upper weights also.

The Bucs travel to Sunnyvale tomorrow at 3:30 p.m. for a match and return home to host powerful Fremont Tuesday at 3:30 p.m. at the Buc Gym.

In a preliminary to the varsity match, Camden's junior varsity defeated the Buc JV team 27-13.

Varsity results:
103 lb.—Suhama (Cp) d. Mijares 2-0; 112 lb.—Beeson (Cp) pinned J. Wilson 0:42; 120 lb.—Nevis (Cp) d. Wilson 6-0; 127 lb. Tomisako (Cp) pinned Wright 2:59; 133 lb. N. Iwasaki (Cp) d. Macias 4-2; 138 lb.—Stroppa (Cp) and Williams, draw; 145 lb.—Omura (Cp) d. M. Hull 8-4; 154 lb.—Silva (Cd) pinned Adams 5:16; 165 lb.—Madril (Cd) pinned Jackson 3:31; 175 lb.—Buran (Cp) pinned Grove 1:45; 191 lb.—Roberts (Cd) pinned Cordova 1:17; Hwt.—Murphy (Cd) pinned R. Ex-Campbell Star Makes SJS Quint

Jon Harris, former Campbell High basketball star, this season will be playing on the San Jose State squad which is picked as the team with the best chance of breaking the University of San Francisco's hold on the WCAC title spot.

Harris, now a junior, played his high school basketball under a former Spartan star. Coach Bert Robinson.

The 6' 3" forward was a standout on the SJS freshman team two years ago and last season led the Jay Vee squad to a successful season.

Highway Patrol Plans Clamp-Down On Drunk Driving

Drinking drivers will receive special attention during the December holidays according to plans developed by the California Highway Patrol and the State Department of Alcoholic Beverage Control.

Patrol Commissioner B. R. Caldwell and ABC Director Russell S. Munro agreed to the two-pronged attack on the drinking driver problem and promised professional enforcement action against all violaters.

"Our cooperative enforcement efforts have brought favorable results in the past," stated Munro. "Our agents will again work closely with the Patrol in a concentrated program designed to control the excessive drinking situation on, and off the highways."

"We are asking all military and local police agencies to join us in this effort during the holidays and look forward to a broader and more effective program," Caldwell said.

Campbell Novices Take Third Place In Mat Tourney

Campbell High's novice wrestling squad won four individual titles and piled up 33 points to finish third in last week's SCVAL western division novice tournament held at Sunnyvale.

Fremont, tabbed as the team to beat this season, won the tourney with 45 points and Camden was second with 34. Fremont also won four individual titles.

Coach Rod McDermott was pleased with the newcomers' showing in the six-team meet and hopes that several of the novices will add depth to his varsity squad this season.

Bucs winning novice championships were Andy Garza in the 120 lb. division; Dave Hoover, 145; Nick Leon, 165; and Ken Buran, 191.

James Lick High piled up 53 points to win the eastern division tourney held at Santa Clara with Washington High second with 37 points. Lick had five individual winners.

Sunnyvale Novice Results

Team scores: Fremont 45, Camden 34, Campbell 33, Los Gatos 28, Los Altos 18, Sunnyvale 6.

Individual winners: 103—Bill Beatty (LG); 112—Raul Rojas (F); 120—Andy Garza (Camp); 127—Gene Garrison (F); 133—Joe Luera (F); 138—Dave Milne (LG); 145--Dave Hoover (Camp); 154—Larry Bond (LG); 165—Nick Leon (Camp); 175—Oscar Morphew (F); 191—Ken Buran (Camp); Heavyweight—Bill Murphy (Camden).

Campbell Coaches To Attend Injury Clinic Saturday

A group of faculty members representing Campbell Union High School will attend an all-day Athletic Injury Clinic this Saturday, according to Dr. J. Frederic Snyder, president of Santa Clara County Medical Society. The meeting will convene at Stanford University under the auspices of the Society's School Health Committee.

Representatives from the high school include Bert Robinson, Jim Muir, Lou Marotti, Jim Bunger, Wade Wilson, Bill Priddy, Hal Raley and Rod MacDermott.

According to Dr. M. Harry Jennison, chairman of the Medical Society's School Health Committee, the meeting will consist of a series of brief presentations by physicians representing the various surgical and medical specialties dealing with different facets of athletic injury.

These talks will consider prevention of injuries through special equipment, conditioning and other means; emergency treatment and length of disability before returning to full activity. Questions from the floor will follow.

Speech topics include the athletic heart, head and brain injuries, the eye, facial injuries, dental injuries, chest injuries, abdominal injuries, injuries to spine and back, injuries to upper and lower extremities.

Luncheon guest speakers are Bill Rigney, manager, San Francisco Giants, and Frankie Albert, coach, San Francisco Forty-Niners.

An afternoon panel discussion will include several Medical society members and Peyton Jordan, track coach, Stanford University; Connie Jarvis, trainer, Stanford University; Chuck Taylor, football coach, Stanford University; and Henry Schmidt, trainer, San Francisco Forty-Niners and University of Santa Clara.

Campbell Bucs Unbeaten in Two Starts, Enter James Lick Tourney Today

The Buccaneers of Campbell High continued their winning ways as they topped Live Oak High 38-23 in a non-league game Tuesday for their second straight victory.

The Bucs move into the James Lick Invitational Tournament at Lick today, tomorrow and Saturday and then return home Tuesday to meet Lincoln High at 3:15 p.m. at the Buc Gym.

Forward Gary Richards led the way against Live Oak by scoring ten points to be high man for the game. Forward John Kriewall, Campbell's only returning letterman this year, and center Allan Burdick aided the Buc cause by tanking eight points apiece.

The Bucs pulled to an early 15-4 lead going into the second quarter and were never headed.

In a preliminary to the varsity contest, Campbell High's Bees dropped a close 24-21 decision to Live Oak.

Held scoreless in the second quarter, the Bees pulled to within one point of Live Oak in the third period, 14-15. But in the final period Live Oak held off a Campbell rally to outscore the Bees nine to seven and keep their edge.

With forward John Kriewall leading the way with 16 points the Campbell High Buc varsity five rolled to a 41-29 win over Watsonville High Saturday on the loser's court.

It was the first game of the season for Campbell and the fifth for Watsonville but the Bucs contained the more experienced Watsonville offense and exploded for 15 points in the fourth quarter to ice the game.

Coach Bert Robinson was pleased with the team's effort but said that the squad "has a long way to go."

"We made a lot of mistakes and will have to correct them to keep winning games. But we always expect mistakes in the opener and I thought the boys did a fine job."

The Bucs, who had the edge in height over Watsonville, played a slower and more deliberate game than the losers and looked very strong on defense.

Turning point in the game came after Watsonville had climbed to within five points of Campbell in the fourth quarter and a series of fouls gave Buc guard John Beyer four free throws. Beyer sank all four to give Campbell a nine-point lead that was never threatened.

Beyers and guard Charlie Harrison followed Kriewall in scoring with six points each while forward Gary Richards tanked five counters.

Benny Lujan, up from last year's "B" squad, won a starting guard spot for the Watsonville game. Lujan suffered a badly cut lip during the contest.

In a preliminary to the varsity contest the Campbell High Bee quint ran into a tough Watsonville squad and dropped a 26-43 decision.

High scorer for the Bees was Gene Ryley with six points.

LOW DOWN ON SPORTS

By Marvin Moore

Notre Dame Slaughters S.M.U.

The fighting Irish of Notre Dame turned four interceptions and two fumbles into six touchdowns. QB. Bob Williams scored twice on short plunges and HB Pat Doyle romped 45 yards and 18 yds. for TD's to put Notre Dame over 54 to S.M.U. 21. Williams is a junior and Doyle a sophomore so we look forward to a good season next year for Notre Dame.

S.M.U's Don Meredith managed to set a national passing accuracy record before he went out of the game with an injury.

Cougar Hoopsters Split Two Games

Camden High's varsity and Bee hoopsters got a split in two non-league games this week, topping Willow Glen in both contests and bowing in two games to Gilroy.

Both teams move to Santa Cruz Invitational Tournament today, tomorrow and Saturday and then journey to Cubberly High for games Tuesday at 3:15 p.m.

In action this week, the Cougar varsity beat Willow Glen 45-30 but lost to Gilroy in a close one 40-36. The Camden Bees stopped Willow Glen 33-27 and bowed to Gilroy 26-24.

There are 15¾ miles of drives and roads in San Francisco's Golden Gate Park.
